Re: Hearing Application
Main Camerina Sand, Reservoir B
LAKE ARTHUR FIELD
Jefferson Davis Parish, Louisiana
Applicant: Kitty Hawk Energy, L.L.C.

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Kitty Hawk Energy, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Main Camerina Sand, Reservoir B, Lake Arthur Field, Jefferson Davis Parish, Louisiana.

1. To dissolve the existing reservoirwide unit created as the Main Camerina Sand, Reservoir B, SU by Office of Conservation Order No. 2-S-2, effective January 9, 1970 and to simultaneously create a revised single drilling and production unit of approximately 366 acres for the Main Camerina Sand, Reservoir B, designated as the Main Cam RB SUA, Lake Arthur Field, Jefferson Davis Parish, Louisiana, all as shown more particularly on the attached plat;
2. To authorize the drilling of a unit well at a location in the unit in exception to the requirements of Statewide Order No. 29-E, such location to be no closer than 100 feet from the nearest unit boundary line;
3. To establish rules and regulations governing the exploration for and production of gas and condensate from the said sand unit;
4. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created, with each tract sharing in unit production on a surface acreage basis of participation;

5. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

The Main Camerina Sand, Reservoir B in the Lake Arthur Field, Jefferson Davis Parish, Louisiana was previously defined in Office of Conservation Order No. 2-S-2, effective January 9, 1970.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on March 31, 2005. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. William F. Bailey. Mr. Bill Robbins of W. H. Robbins & Associates presented the plan of applicant, including the plan to drill a unit well at an exceptional location. Questions were asked and answered. It is anticipated that there may be no opposition at the public hearing on this matter.

Attached hereto and made a part hereof is a plat outlining the Main Camerina Sand, Reservoir B, Lake Arthur Field, Jefferson Davis Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this application. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. W. H. Robbins of W. H. Robbins & Associates, 302 La Rue France, Suite 100, Lafayette, Louisiana 70508 (337) 232-5004.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

William F. Bailey
